Dear Mr. Oldaker:

On December 13, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your December 20, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule H4 still discloses disbursements which are categorized as fundraising expenses; however, a Schedule H2 has not been filed to disclose the allocation ratio. A Schedule H2 for an event should be submitted for each report in which a disbursement is made for that event during the reporting period. All committees are required to allocate the direct costs of each fundraising event in which the committee collects both federal and non-federal funds. The costs are allocated according to the funds received ratio and reported on Schedule H2. 11 CFR §§106.5(f) and 106.6(d). Please file a Schedule H2 to disclose the ratio for the fundraising event: **Fly Fishing Weekend [07/21/2000]**.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "expense reimbursement". For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

An adequate response must be received at the Commission by January 24, 2001.
